

The Proven Fundraiser That Puts Your Child's Safety First!

Hunt Brothers® Pizza and your local store are proud to offer an effective fundraising program that's safe, simple and requires no door-to-door soliciting.

For every pizza your group purchases at this participating Hunt Brothers Pizza store in a specified period, you receive a donation for each proof-of-purchase. What could be easier?

The safe alternative—Your children don't have to go door-to-door for contributions.

No money handling—There's no handling of cash or checks that can be lost or stolen.

No pre-selling—Unlike magazine drives, there are no forms to fill out or track.

Great pizza for dinner—You can pick up Hunt Brothers Pizza for dinner and contribute to your child's fundraising program.

Easy to do—Just call a friend, family member or neighbor to spread the word and remind them to keep proof-of-purchase stamps.

Saves you time and money—With our program, you don't spend time and gas money driving your kids to surrounding neighborhoods.
